Authorisation of costs

Patient:

Date of birth:

Home address:

Authorisation from:

Total amount:

until: duration:

THB

We hereby confirm that ADAC-Auslands-Krankenschutz will cover the costs for in-patient treatment of acute illness and up to the amount in the period specified above.

Any further confirmation of cover for additional diagnostic or therapeutic measures will be subject to prior authorisation by an ADAC doctor. Please send your itemised invoice made out to the patient either by e-mail (invoice in pdf format) to

healthclaim@adac.de

or the original to

ADAC Versicherung AG, Postfach 700124, 81301 München, Germany

In either case, please make sure you attach a copy of this form. Do not forget to indicate your banking details (including IBAN and BIC). Please attach the following documents to your invoice, otherwise we will be unable to process the claim: detailed medical report and discharge letter, report of lab results, documentation of treatments and examinations made. We need a correct statement detailing all services rendered at reasonable local rates. Please understand that we reserve the right to verify cost statements which significantly deviate from prior calculations. We are also entitled to refuse payments pursuant to any confirmation of cover, if such payments are against German or international law.

Our billing is exclusively to you as a service provider, not to third parties.

Best regards.

Mackowska, Agnieszka

ADAC Ambulance Service

The supplier is obliged to comply with the European General Data Protection Regulation (GDPR), particularly regarding the protection of personal data. Personal data is only to be used in the context of the above order. Any use for other purposes or unauthorized forwarding to third parties is not allowed.

This document was produced electronically and is valid without signature.

If you received this fax or email in error, please notify us and delete this document. Thank you very much for your cooperation.

This document refers to members of all genders. For reasons of better legibility the masculine form was chosen.
