Declaration of costs

Patient:
born:
Insurance company:
Reference No.:
Diagnosis:

Dear Sir or Madam,

On behalf of and by order of AXA Krankenversicherung AG we hereby inform you as a result of medical information conveyed by yourselves on the aforementioned patient on that all insurance protection costs of the medical insurance policy which are directly connected to the resulting diagnosis(es) are included. On behalf of and by order of the aforementioned insurer, we agree to the payment of all appropriate and necessary costs in accordance with the underlying contractual clauses. The defrayal of costs is subject to fulfilment of all contractually agreed obligations by the insured party or the aforementioned person or their legal representative, and compliance with the contractually agreed maximum travel duration.

The declaration of costs is limited to services within the period 30.04.2026 to 30.04.2026 .

This cost defrayal excludes all CT and MRI scans and all ultrasound and laboratory tests which are not required for initial diagnosis. CT, MRI, ultrasound and laboratory tests must be applied for in writing to our medical service with a current medical report. You shall receive a separate cost defrayal for these tests.

The approved defrayal of costs ceases to apply if you fail to provide us with your invoices within one year of termination of treatment. We request that you contact us if the period for cost approval needs to be extended.
